

Chain Slings and Accessories

Offering Safety Material

Hoisting Equipment

- Light Weight and Robustly Constructed
- Superior Quality Wafios Premium Alloy Chain
- Lifting Wheel is fully Machned from a Single Material
- Minimum Headroom required and very Versatile in Operation
- Enamel baked painted Surface, very durable against knowck and brasion
- Individual Serial No. for Traceability
- Fully enclosed Gear Train
- Lower Hook is assembled with compelte Thrust Racer
- Use only minimum effort to raise Maximum Load
- Automatic Weston brake with unique Twin Pawls is well protected against all weather conditions
- CE Certified

Type: **CLP**

Chain Blocks CLC Series

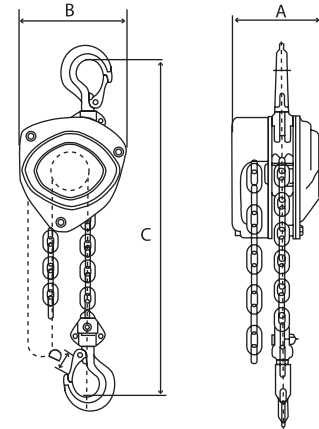

Features:

- Compact design and light weight
- Minimum Head Room needed
- Gear and Pinion Shaft
- Drop Forged and Heat Treated
- Load Chain to ISO 3077-1984
- Individual Serial No. for Traceability

Performance:

- Conform to Cyclic Rotation Test
- Load Tested at 150% of Capacity to 1,000 cycles
- CE Certified

Type: **CLC**

Lever Hoist Specifications
